E-mail:PGFTU@PGFTU.ORG

Date:16/12/2009

Reff:20/12/2009

Dear Joah event,,

This to pay your kind attention that PGFTU is clearly and totally against Israel joining to OECD due to the aggressive practices that Israeli government is still using against Palestinian people and for Israeli policies concerning building more and more settlements meanwhile that right wing government is destroying all roads to peace.

Hoping that other Union organizations will take the same position.

With my best regards

Shaher Sa'ed
General Secretary
